LETTER FROM THE PRESIDENT

Witaj! Autumn is another busy season for our club. Most notable is our upcoming **Membership Meeting on Sunday, October 24** where we will review and vote on changes to our club's bylaws to comply with state and federal nonprofit regulations. Most of the changes are minor to clean up outdated language. The biggest proposed change is the reduction of the Board of Directors from 11 to 9 members. The reason for this change is the long-standing difficulty in securing enough volunteers to fill all 11 Board positions.

So please save the date – Sunday, October 24. We will send out a special mailing with the time and location of the membership meeting along with the proposed bylaws changes.

Other upcoming club-sponsored events not to miss are the special concert by two groups from Poland celebrating Chopin's 200th birthday anniversary, and the Polish Film Festival organized by the UW Polish Students Association. Of course, our increasingly popular Christmas Bazaar will take place in early November. Read more about these events inside this newsletter, and take some time this October to celebrate Polish-American Heritage Month.

Do zobaczenia,
Mary Schumacher

Through-out the concert the sound of the grand piano will be present classic, jazz and avant garde. The concert composition based on selected scherzos, preludes, mazurkas, and sonata phrases will create a music room filled with lyricism, but not stripped of happiness and energy.”

JANUSZ PRUSINOWSKI TRIO

/Ya-noosh Prue-she-nof-ski/

Janusz Prusinowski - fiddle, accordion, vocals, dulcimer, crank lyre, dancing
Piotr Piszczatowski - baraban drum, bass, tambourine, fiddle, vocals
Michał Żak - wooden flutes,

shawm, clarinet Piotr Zgorzelski – bass, vocals “This Trio continues the traditions of Polish village musicians. They preserve unique characteristics of the villagers' musical styles, by drawing inspiration from such living giants as Jan Lewandowski, Kazimierz Meto, Józef Żaraś, Jan Ciarkowski, Peter and Jan Gac and Ignacy Bednarz. ...This combination of instruments enrich the classic mazurka and kujawiak dances with sounds coming from the ancient nomadic & court bands, all the way from Tajikistan to Brittany. The union of dynamic rural music and traditional villager lyrics creates an enchanting environment in which the dances of kujawiak, mazurek, polka, oberek, powiślak or podróżniak may fully blossom. Additionally, the trio's musical dialogue and improvisation skills make their live performances absolutely exceptional.”

instruments: marimba, vibraphone, glockenspiel,

china drum, cajon, tom toms, cymbals, gongs, snare drum
“This unique quartet was founded in 2006 as a result of a artistic meeting of two duets: one percussion duet and one piano duet. They perform classical pieces from Frederic Chopin, Bela Bartok, George Crumb and other 20th and 21st century composers, as well as original arrangements...dialogue between the pianos and the percussion instruments. Sometimes these instruments reverse their function in the band and piano becomes a percussion instrument and percussion takes over the role of the piano. Each concert becomes both a musical and theatrical event, with its unique dramatic construct. While working on their pieces, the musicians often improvise and use their experience and sound exploration in order to maximize the use of their pianos and percussion.”

"Polish American Heritage Month" A National Celebration of Polish History, Culture & Pride!

PolishAmericanHeritageMonth.com

From the Desk of Michael Blichasz, President of the Polish American Cultural Center 308 Walnut St. Philadelphia:

Dear Members, Friends and Supporters,

Since 1608, when the first Polish settlers arrived at Jamestown, VA, Polish people have been an important part of America's history and culture. In 2010, Polish Americans will mark the 29th Anniversary of the founding of Polish American Heritage Month, an event which began in Philadelphia, PA, and became a national celebration of Polish history, culture and pride. During 2010, we will also mark the 231st Anniversary of the death of General Casimir Pulaski, Father of the American Cavalry.

You are asked to spread the word about Polish American Heritage Month events in your local community and invite people to view the information which is linked below, including:

There is always something happening in the Polish American community across the United States. It's great to see that Polish American history and pride are well represented in the "Great Mosaic of America". One way that you can help us spread the word is by welcoming family and friends to join the Museum's email list. The guest book registration form is on the home page of the Museum's Internet site at: PolishAmericanCenter.com. As you read the articles in the Polish American News, I ask that you spread the word to others. Your participation is always appreciated. My best wishes to you and yours for an enjoyable Polish American Heritage Month!
